■ Online German Courses for ERASMUS Students

Sign up now for our special price and learn German!

Are you taking part in the ERASMUS programme and will you soon be studying at a German university? Congratulations! Thanks to financial support from the DAAD (German Academic Exchange Service), you will be eligible to take part in an online German course organised by DUO. Enjoy the advantages of learning German from your very own home for up to 3 months, allowing you the very best preparation for your stay in Germany – and that at considerably reduced prices.

These are your advantages:

- Your German course begins in your own four walls. You will be learning comfortably and flexibly via the internet.
- You will be gaining specialist and everyday knowledge necessary for your stay in Germany.
- Your personal tutor will give you intensive and effective guidance.
- You will receive valuable ECTS credits.
- You will be in contact with other ERASMUS students.

Here is how it works:

- Go to: www.deutsch-uni.com/erasmus
- Choose one of the courses and select a learning method (see description over).
- Click «register» and fill in your name.
- Access data and further details about your course will be sent to you.

By the way:

Your DUO course is based on a special **ECTS curriculum**. For further information please contact:
erasmus@deutsch-uni.com

Information and registration:
www.deutsch-uni.com/erasmus

DUO is designed for anyone interested in preparing his/her stay in Germany. DUO not only offers German language courses: it also provides students and researchers with the opportunity of gaining a great range of skills – from language, cultural and everyday skills to basic knowledge in specific subjects.

All the DUO course modules are detailed at:
www.deutsch-uni.com/erasmus
(for more details see back)
