

■ Licence Fees

for post-secondary and other educational institutions

DUO is the learning platform that will help you learn German in a simple yet effective manner. DUO can be used to complement your regular German lessons or as an independent, flexible form of learning – with your or our teaching staff as tutors.

Possible forms of learning:

- blended learning: DUO programs support your regular lessons to whatever extent you choose
- assisted learning: your or our teachers assist learners as online-tutors

Available DUO courses

- basis-deutsch: German beginners' courses
- uni-deutsch: courses for linguistic, organizational, and practical preparation for university life in Germany
- fach-deutsch: transfer of specialized subject knowledge and subject-specific language

The Deutsch-Uni Online

(DUO) is designed for anyone wanting to prepare for their stay in Germany, Austria, or Switzerland. And more than just on the linguistic level. DUO supplies the necessary knowledge to everyone wanting to study or research in German-speaking countries – from language skills to professional qualifications. DUO has the following advantages:

- effective language acquisition through individual learning paths
- flexible learning that isn't limited to a certain place or time
- optimal preparation for a stay in a German-speaking country
- tutor assistance and guidance
- transfer of practical knowledge
- achieving qualifications related to subject matter and subject-specific language
- contact with people with similar goals
