

DUO Tutors

Prices and services for licensed institutions

Tutors from Deutsch-Uni Online will supervise DUO courses if licensed institutions do not have their own tutors available or want to keep their administration and staff expenses down.

Here is how it works:

- You specify the DUO course module.
- You determine the number of students.
- We arrange the beginning of the course and discuss further steps with you.

Services and prices:

All DUO tutors are highly qualified teachers of German as a foreign language or teachers of the relevant field of study of the fach-deutsch-modules. We provide regular mandatory trainings for all tutors.
