## description of module

uni-deutsch sprachkurs is the online language course for university studies, scientific work, professional purposes and research – the heart and soul of DUO.

uni-deutsch sprachkurs has been customized specifically for foreign students and scientists wishing to research or study at German post-secondary institutions. It combines sophisticated learning technology and advanced pedagogy with diverse subject matter and challenging research materials:

- learn everything of relevance for studying in Germany, including all you need to know to prepare for the TestDaF exams
- work hands-on with literature and internet resources
- study economics and ecology as interdisciplinary core subjects
- experience language and communication in everyday life and university
- discover more about people in Germany, about their education, their culture and living

uni-deutsch sprachkurs includes practice for listening comprehension, training for reading, writing, and speaking as well as for grammar and comprehensive vocabulary expansion. In addition, uni-deutsch sprachkurs conveys effective strategies for work and study at universities.
